You have made clear this week that you don't want to work legally correct in the Netherlands.

You were in Holland, without consulting me about 'that best way to operate for Peace & Justice'.

While you know very well that Climate Younger Generation can be murdered on the streets in DictatorshipNL... by the Police.

And in second ring, by their own Schoolboard - Mayors - Tradeunions - Media...etc.

I have made my choice.

I want you in prison.

I want you to rot in hel for the rest of your life... in prison.

I will publish this email on www.desireestokkel-nl.net
