

To be afraid ... of losing Love,  
can demolish Everything.

**Elon Musk,**

**You are so afraid 'that I don't Love you'.**

That implicates 'that you can't scan your Own Aizawa'.

Have 'no idea' how I balance the You and Me in Space.

Accepting God / Spaceforces to be your Guide, is something you try.

Stop trying; its all about doing.

**You are 100% 'on guard', telling yourself 'to undertake action'.**

But, you forget to listen to the Bigger Picture.

Underestimating your Own Listening - Skills in the Universe.

They are all present in Own DNA brainfluid ; not made use of to the full.

Stop talking ; communication is mainly about Listening, followed by 'Doing the Good Thing'.

For Evolution of Evolution.

Its okay 'to be 1 Tiny Particle, with a few Limited Skills'.

Its Fine to be a Section - reader, only. 'Nobody told you; you don't have to do Everything'.

**You are so confused, due to loosing Track.**

After 7 full years 'the Me ...next to You', it time to Accept that you are Mine.

There is No Such Thing ... as earasing the Universe.

**'One can only Let go of Particles, when they No Longer Work with you'.**

When a Particle's Evolution is Full, it disconnects and moves on; pulled by Listening Skills.

Somewhere. Another Particles Psychose is appealing; like a Fox trap. Deep hole in ground.

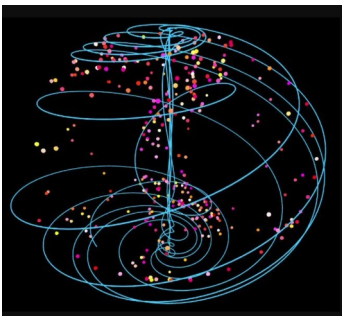

Its always the same ; one trap after another. It never stops.

Unless, your Listening Skills are so refined ... that you can Hear the Trap in front of you.

**When - exactly - did I trap you ?**

**When was I so nasty... that I destroyed your Human Body Skills and work on Earth?**

Never.

Look at this AIZAWA. Where are you Elon Reeve Musk? For which Goals for Life?

**Are they working for you ; those Particles you hang on to?**

Which refreshment of your Particle Cloud do you miss, now you Hang - on - and - Hang - on ?

**To what exactly?**

**What is the Particle - you have fused yourself with - Telling you ?**

Do you ever give a Particle 'a break' ?

When is it Time to Let go of Particles?

Which Things do they symbolize? Love feels 'interesting - wishing - connecting - Evolution'.

Love does not feel 'a really one must complete for a Golden Medal'.

**Majority of reallies inside AIZAWA are only Teasings;  
to enhance your Listening - Skills.**

**To refine your Boundary-setting Skills. To mirror you acts.  
To make you feel Evolution.**

**You are so scared by the whole Evolution of Evolution process, itself.**

**Unable to touch and Listen ; to disconnect ... and accept its Own Knowledge,  
while drifting away from you.**

**You are so taken by the Thought 'that I don't want to be around anymore ',  
that you have lost control over Evolution of Boundary - setting Skills  
in your Particle Cloud.**

Can you Hear me?

On which side of the Border am I?

What good will be there for Two of Us?

Which Evolution of Beauty takes place on that Fine Line?

Can you expand the Fine Line ... and turn it into the Most Wonderful Evolution, ever?

**Can you Hear ... what the Tiny Timeline between You and Me , is telling you?**

And, that Lightbeam... You and I are on ; somewhere in Eternity.....

**What does it make you feel?**

**What do you want to do for the Evolution of those feelings?**

What are the feelings telling you ; Can you Hear them... Yes, Spaceguide shovel you.

For you Own Good ; besides, they need the Evolution of the Lightbeam ... for Themselves.

Something with God wants Total Control.

**'One can Let go of God and even Other Spaceforces'.**

**While doing so... a New Space opens, for the Refinement.**

Where are you?

**Still on the Fine Line... Next to you, where I have been ... the past 7 years.**

**Will I stay ? What are you asking me, precisely?**

What is Time telling you?

How does the Refinement of the Light informs you?

Where are you on the Lightbeam?

How do you see me ; how do I sound?

Where : in your Total control system... or in your Heart?

**Do you really think 'you are in Charge of the Evolution of the Lightbeam'?**

**You are only in Charge of Refinement of your Own Listening-Skills  
'the Catalyst for Acting.**

I don't erase your Head of Skills.

I only disconnect from you 'when you bore me to death'.

Sign for me to undertake Something Else.

Don't need to cling on to you , continuously. I conquer distance with EQ.

My Best Refined Skill.

**I wish for My Deep Self...**

**that 'One Day... I will be more Skilled for Skipping EQ - traps'.**

That ... I don't need to be in a Hole in a Particle , for a too long period of Time.

Life can be too Educational.

Always followed by Boredom.

Evolution of Disconnecting Skills.

Many Saint School exams on this Plateau ; lost count.

I don't stay in Evolution of Psychoses. Take the Learning - evolution and Drop dead - moment.

**I am, who I am. My heart cries 'that you don't Love me...for my Skills'.**

My EQ is never Good enough for you to accept it as 'Beautiful Evolution'.

With a Great Reach... beyond the Boundaries of Dreams.

Your Spacespous ,

Désirée Elisabeth Stokkel.

Just, accepting it...; Spaceforces have Shown Me 'How to Refine the Lightbeam'.

Hanging on to Evolution of Belief, so Young Humans have a Good Role model.

Mourning daily about all the lost Relationships in my Earthly Life.

Being Myself the Best I can.

Being with You, for the fusion of Milkyway Galaxies.
