

# When ElonMusk must be forced to stay alive 'on his Own Merits'.

Written by Désirée Stokkel, IPM and UN-replacer.

The legally most powerful woman on Earth.

**Can you do it, Musk?**  
'Not have yourself killed by Whitehouse  
or Investors, during Worldwar3'?

**Can you make the Decisions you need to  
make, to stay alive in a Fairtrade-economy?**

**'So your Children will live on a Planet without GEN-therapy  
Airpollution... and will NOT be turned into Zombies'?**

Can you finally recognize me as a Human being / a Female something  
'who brings you all you need... when you treat her well'?

'Do you really want to stay in control over all your Compagnies'?

'Do you want to be in control over all that is yours'? Désirée Stokkel for  
EQ behind BigBang on Earth.

Do you have respect for the Makers of the Simulation

You residence in on Earth, Musk?

Do you respect the Makers of your Human body?

Do you respect the Mixfix system, that must keep All of Us alive, in Good health for Eternity; in some Love – Balance – Inspiration – Pragmatism – Progress – Endurance – Determination – Good Luck – Evolution?

Do you understand the Fineline between Life & Dead?

Do you know ‘that being Dead... is another Simulation’?

Do you realize ‘that you can party choose the way you Die’?

What do your children need?

I felt shocked when you stated in the media:

‘They are okay on Earth’. Its Worldwar 3... and you think they are in a Good place...???

[An Overview of Psychopathology \(verywellmind.com\)](http://verywellmind.com)

When you don't know WHEN you will get Damaged / Killed,  
by Whom,

for Which Targets... defined by another Individual, outside Yourself...

you are in a Low-intelligent place.

ElonMusk	DesireeStokkel
Looks into Simulation; not in his own DNA.	Looks into her Own DNA; talks about it with SpaceLab.
Looks from Phantasy about Simulation on Earth – that springs from his Male Body - to Space for Dreamed lifestyle.	Looks from Personal DNA, under SpaceLab management team to Earth ‘for what needs to be completed, on which Timeline... for which parts of Evolution of Evolution’.
Looks only to other Human beings in terms of : What will you bring me for the realization of my Phantasy on Earth?	Looks at Humans – as Creatures on Earth in Space - who don’t want to grow under the Higher wisdom of Space-force; don’t want to learn out of Life for the Evolution of Evolution.
<p>Love is something you need for the accomplishment of your own Dreams, regardless the needs of fellow-humans.</p> <p>Love is to make Children; but not carry responsibility for the Planet they live &amp; work on. Assuming they don’t need to mixfix with other Humans from the same generation People on Earth.</p>	<p>Love is a choice ‘one needs to make in the Deep DNA warehouse, in the human body’. You can choose to live &amp; work from Love... or you let Chaos make the choices for you.</p> <p>Love is a Limited Edition. A Good system to remove Trouble and Restore all that is broken.</p> <p>A Toolbox for healing, on the condition that the receiver</p>

<p>Love is to tell people what they must experience as Love; when they disapprove you schredder them.</p> <p>Love is to long for the perfect feeling; but not being prepared to do the job 'to arrive at the spot for SpaceLab Love in Evolution'.</p>	<p>wants to live for Good Evolution of All.</p> <p>Love is limited repairment of DNA.</p>
<p>Evolution is get the most out of Life for Oneself.</p> <p>High Density is the Speed of Success, for Oneself.</p> <p>Light-flow is the path towards a Simulation.</p> <p>Party determined by Higher powers; but those must be concurred... not respected or loved.</p>	<p>Evolution is to get the Optimized result from mixfix All there Is... on a specific Timeline... for a Problem-solving target.</p> <p>Or, for the being of 2 Humans in High Density on Earth.</p> <p>Light-flow is the path between SpaceLab – DNA in a Human – Evolution for Future.</p> <p>Party determined by Higher powers and parly by in-build DNA; for the responsibility to get the Best out of Evolution for Evolution.</p>
<p>Marriage is the Fun between a man &amp; woman.</p> <p>As long as it fits the Simulation.</p>	<p>Marriage is a High Density system for Highspeed Evolution of Good next to Bad; for Balance between Present and Future;</p>

	<p>for some Fun between man &amp; woman;  for the removal of Manipulations and Chaos from Earth;  for the Refinement of Evolution under Evolution on the Highspeed Frequency in both humans... for Love for All of Us.</p>
<p>Work:  Something you need to be in control over... inside 'onces Own Simulation'; forget the rest, unless they are Investors for the construction of the touchable Dream.</p>	<p>Work:  Evolution of Skills, under SpaceLab instructions... for 'getting the Best out of Everybody &amp; Everything , but focused on a Target'.</p>
<p><b>Survival:</b></p> <p><b>Something you do for yourself and the Simulation you want to see realized on Earth in Space.</b></p> <p><b>Future-bringers' skill determines 'how you unfold your DNA'.</b></p> <p>Future is all the Input x Output you need for the completion of all programs 'that prove that your Dream was the right one to follows'.</p>	<p><b>Survival:</b></p> <p><b>Get the optimized result out of the way you Unfold your personal DNA on Earth in Space.</b></p> <p>Future-bringers' skill determines 'how and when to open Which DNA-cell for Which behavior ; that must result in the Best Evolution for Evolution ... in the SpaceBlock physics'.</p> <p><b>Network - thinking for Unfolding DNA and keeping it alive for the Best Biological – Physical – EQ</b></p>

All elements & actors must get a place on the Dashboard for the Dream-realisation.

Whether that Dream is the full SpaceLab plan, or not... is irrelevant.

Even , when Higher powers prove 'that they elements & actors you choose... are damaging of killing you and your Children'.

Survival is 'use a methods that brings you elements & actors' ... again and again.... Until they are of no use to you anymore.

Devil removal is NOT NEEDED, as long as the monsters bring you elements & actors you can use.

mathematics available for the Human body.

Skill maintenance process that shovels you forwards into Optimized Evolution for All of Us.

Including: Devil removals, now the monsters disturb the Best DNA unfolding program in the Human body, in Space.

## How to recognize your Own Killer

When will you get murdered; by whom and for which Targets?

Its an Unfolding DNA – Skill.

How do you unfold your Deep DNA, so you are in Balance and can see / recognize the monster that wants to kill you?

‘One must be prepared to residence on a Network on Planet Earth... for Evolution ; being an Overall program’.

### **The Overall Program for Life, is hidden in onces DNA , too.**

- The human body on Earth in Space.
- The easygoing Skills; the time & energy consuming skills.
  
- The way you relate towards your Own Skills;
  - narrow minded
  - horizon few ( dream)
  - pragmatic for balance of everything you undertake
  - willing to learn New Skills
  - unwilling to accept the Skills of Fellow creatures
  - MixFix skills
  - respect for the makers of your DNA, in relation with them
  - respect for the Messages that arrive from Higher powers, than yourself
  - sence of Time – Skills – Calender – Clock – Start – Finish – Endurance – Limitation – Success – Failure – Stubbornness – Laziness – Self propelling – Self

blocking - Touchy – Revengeful – Criminal –  
Problem solving – Joy ....

- **Decision-making system for DNA survival**

Do you really want your DNA to stay on Earth, or are you only saying this... for acceptance of your phantasy... or the approval of others in a group-cloud?

Do you express yourself in the needed way 'to get on the table what your Unfolded DNA is doing at the moment / what it is suppose to be doing / what it needs for Future skills...'??

- **Do you Love your Own DNA?**

What does prove that you Love your DNA?

Musk, I shall give you an example for the Stokkel-  
Body – Skills – Future – Survival.

You know 'I am not anti-materialism'. I do want Blackrock to repay the 313 billion to the people of NL. I do want a Damage-payment for what people do to me and my family'.

But, I live under dead threat, started by the Government; followed by UN – ICC – EU – NATO - Presidents – Organisation ++

Being dependent on the Social Security Benefit ( and the abuse I must undergo for receiving this Benefit ) I have to make Choices 'to stay alive'.

I had to create a Rock solid Anchor 'to smash the Criminals in the face with' , namely: the Torture treaty.

Its an Anchor that works for me; not against me. It separated the Good from the Bad people... what makes the DNA Unfolding process 'more professional & healing'. Being trained in Torture-treaty Thinking, my DNA is in a healthy place.

We both know 'that woman like me – Stokkel – can get killed by Rulers who don't want her to be successful'.

The Devil does not want me to be successful in the way I unfold my personal DNA for my Evolution on Earth in Space.

This Moment in Space = Indicator for Killers on my Route.

When you 'operate the Torture treaty' a whole World comes alive = the Fine line between Good & Bad.

Are you EQ-skilled , like I – Stokkel – am... than a  
Parcours for Survival becomes visible.

**Being on that parcourse for Justice for Myself, I run  
into:**

- the Devil,
- the Liar,
- the Lazy person,
- the Indifferent bastard,
- the Narcisist,
- the Psychopath,
- the Corrupt Bullier,
- the Invisible Enemy,
- the Never to Trust Security officer,
- the People who have themselves Killed, voluntarily.

I give them a place on my Network.

With an EQ-label.

Observe them 'living on'.

Accepting their ( rotten ) Skills.

Sometimes, assisting them to Heal bad Skills, for Good  
Healing Evolution for both of us.

Sometimes, inventing Love for the Evolution of Love.

Sometimes, because SpaceLab makes my undergo  
'things for forced Evolution'.

I have learned to Love the Evolution that springs from my DNA, under all circumstances.

I have learned to Love the process of Education, inherent to hel, itself.

I have learned to follow the instructions given to me be fellow humans, for the Evolution of my DNA Unfolding process, under all circumstances.

I have run into my Limits , and learned to accept the Mixfix system for Highspeed Frequency Evolution of Skills.

Now, I can Mixfix with the Devil, without getting damages too fast, too intense, too lasting.

Now, I can anticipate on the methods of work by the Devil, which tries to Undo the Good in my Body – Soul – Spirit.

Now, I can tell you ‘that we must be Married on Earth, so you can get the Best out of yourself on the Highspeed Frequency... and you will stay alive...’.

While your Presidents & Investors will kill you... for their Psychopatic Rituals.

I studied the Rotten persons; you didn't Musk.

I know the Rot in my DNA, where you still have to learn to handle this Rot in your DNA.

I can work with the Mixfix-system by SpaceLab managers in EQ, from the Easy-going mode.... Where you still have to grown accustomed with this trajet, Musk.

**Key question for Elon Reeve Musk is:**

Am I prepared to Marry IPM Désirée Elisabeth Stokkel... and give her a Chance to refine her Skills to my advantage'?

Can I make Space – Room on Earth in My heart for her DNA -set, in the Mixfix with Musk DNA?

Can I Love her for her Skills in her Culture; accepting that a part of the Culture she grew in... is now the Devil that wants me to be killed?

Can I be Good to her, when she says Something that forces me to Unfold my DNA in a way I have never done before?

Can I trust her 'to do the Good thing for my Business, accepting that I will never own the EQ behind the Big Skill'.

Can De Stokkel still be nice to me – ER.Musk, the alien – while I have been rude / arrogant / shortsighted / criminal ... towards her?

Evolution of Forgiveness, is active here ... Starman.

The whole Mixfix thing is designed for :  
'Musk x Stokkel stop Worldwar3'.

**Now, answer my question ... again:**

'Do you Love the Unfolding process inside your Own DNA', Musk?

'Can you Love the Evolution you need for the Survival of your Own DNA on Earth in Space'?

'Do you Love the DNA of your Compagnies enough, to maintain the Will to stay in control over your own Business'?

'Do you Love your Dream enough, to make sacrifices for the success of the realization of that Phantasy on Earth'?

'Do you know 'that having yourself NOT killed by they Presidents & Investors', is a sacrifice you need to make... in order to obtain your Touchable Dream on Earth?
