Simulation 17141/3

= Musk - Stokkel save lives of Babies on Planet Earth

Year 2022:

SpaceLab has fooled us both, Elon. We were put together a Long Time ago. **Before we were born.**

Vaccin-genocide was planned from 1950. SpaceLab made my life hel, so I would grow 'strong enough for EQ-duty to keep the Children alive & healthy on Earth'. **IPM.**

Musk must construct a New Planet Earth - RepublicNL for Babies -.

They always knew, that Musk would not go to Mars.

EQ-language for ElonMusk

	Highspeed Thinking for End Worldwar3
1.	I don't want to be a Warlord. I don't want to go to prison for WO3.

I don't want to be killed with a Bioweapon.

I don't want to be made ill / killed by Partners or Customers / United Nations Institutes.

I don't want Anybody to destroy my Children.

I don't want Anybody to damage my Family.

I don't want Anybody to demolish me Business.

I don't want Persons falling ill, due to Self-amplifying vaccins or any other Bioweapon.

I don't want Politics to determine:

'How Healthy I may be and / or How successful I can be'.

I don't want DésiréeStokkel annoying me, with her Legal Frames.

SpaceLab duties to complete, for Survival WO3.

2. I must prove to Myself – Family – Customers, that I am a Legally strong person, who does not want to be demolished by WO3.

I need to construct all the Good Legal frames for Earth.

These are the Legal frames the WO3 designers & conductors refuse to use

--- so they Have the Power to destroy Mankind ---

with a Virus – Bioweapon.

I must RESTORE the Justice -system

on Earth,

now I am the richest man on this Planet.

I do this in equality with DésiréeStokkel.

Who is hanging on my neck since March 2018 ...
in SpaceLab-force.

Who tried to turn me into a Good Man, past 4 years.

Who wanted me to Savekeep Earth, from UN – International
Criminal Court corruption.... In co-work with her.

An EQ-woman , I should have followed & obeyed for a short
period of time... to find out 'what she is really up to'.

I should have believed this EQ-Futurebringer and should have
worked with her from Day1, she came into my Life.

Earth has Changed, Musk is Old-fashion.

Rulers – Mankind – Technology are out of balance.

The Beauty of Technology & Medics is misused for the
demolition of Mankind.

This process can partly be reversed; they other part must be
brought in balance with EQ.

Justice is already Schreddered.

Justice for Each Individual on Earth, must be accomplished.

Persons may not be made ill with Chemicals & Nature in the Atmosphere... Produced by UN linked Institutes , that are after the Total Control of Mankind... in the role as a Slave.

Humans may not be made ill, for the excitement of Criminal Science.

Humans may not be used as Military Medical Testcase, without written consent for the full 'Trail-package'.

Humans may not be lied at , in connection with Bioweapons / Medics / Groupbehavior / Justice / Future.

Children may not be made ill, for the Fun of Warlords.

Earth may not be turned into an Experimental Chemical Chaos.

I – ElonReeveMusk – will talk to InterimPrimeMinister DésiréeStokkel

What she wants:

Acknowledgement of her wellbeing in my Life.

The ICC-Spacex- Musk – Stokkel letter she wants for the Cleanup of the United Nations + ICC + Parliaments.

I write Désirée a letter of apology and give her 10 million euro for Her Parcours.

She has found a Path to Justice; to stop the Bioweapon Makers & Spreaders.

Hopefully, she will be in time... to prevent the sa-RNA genocide in Babies / Young persons ... and all Others.

I shall work with her, regularly for the Safety at the Workfloor of all my Compagnies.

I shall provide in the Win-all – Lawsuit procedure for all Personnel, from the moment this is possible.

I shall do everything within my power, to prevent Myself – Family – Personnel – People to fall ill / to die due to the sa-RNA element in the Medication, that is now being produced for Mass-use.

I shall do everything within my power, to prevent my Family & Customers from falling ill / dying , due to 5G games.

What will the impact be?

DésiréeStokkel wants me to pay her 10 million Euro , payment for damage I caused her.

Accepting that about 5 million of this Damage-payment will go to the Taxoffice in the Netherlands.

By doing this, I buy myself 'out of the position of the Warlord, internationally'.

Now I do recognize Désirée, as the person who can remove the sa-RNA genocide from the United Nations / International Criminal Court / Institutes /

Parliament... I can start with a Blanc Sheet for Justice on Earth in Space.

I can / must RESTORE all my Business-contracts from the Legal reality of the ICClawsuit against NL and all Presidents who are a Member of the UN Charter.

You read the file on www.d66republiek.nl .

Stokkel & I work Simultaneously.

We Remove all Warcrimes we run into from UN – ICC – Parliaments – Business, with the target to stop the illegal Spreading of sa-RNA Bioweapon.

When we manage to complete this SpaceLab-duty in time, many Humans on Earth will not fall ill/ will stay alive in Good Health.

Stokkel & I must force the Media to tell the truth to the people about the Two of Us and the Bioweapon Hel.

When the Media refuses to publish this truth, it can be that Stokkel & I will be too slow

– with the removal of the production line of the sa-RNA + Bioweapon - and we will all become ill / death after all.

When we are intime, the Moonflight & Mars will take place.

IPM Stokkel needs more Financial & Media power;
I – engineer Musk – needs the EQ-Futurebringers'
Skills of Désirée.

**You always get what you want,
Plus a little Extra for Evolution.**

When I don't mixfix with D.
I lose Everything...
and that's going to be

'my something Extra for Evolution of Evolution'.

Musk, don't overlook the Legal fact
'that all your personnel can start lawsuit against you
for NOT trying to stop sa-RNA attacks'.

When hel breaks out... and people fall ill / death at
the workfloor... you are a Warlord, in accordance to
the Torture-treaty / Slavery convention.

You will lose all these courtcases.

Be the Good Man, Musk.

Make Life easy-going for All of Us.

I will tell you 'what needs to be completed on which
Timeline for EQ x IQ'.

And, what a part of the success & love will be.

Love = Love

War = War

Never say:

**'I make War to prove
that I Love you'.**

Yours for Infinity,

Aditi.

On route to Simulation 19797/9
